To everyone from civil society or government institutions who can be interested in the humanitarian mission and for its implementation in cooperation during the full-scale aggression of the Russian Federation against Ukraine to help the citizens of Ukraine,

NGO “Expert council on public research and projects in the field of national health and social security” (NGO “ECPRP”) invites a wide variety of cooperation to help our defenders, their families and Ukrainians who need social protection, medical, other humanitarian assistance and continue to remain in Ukraine during a full-scale war with the Russian Federation, the aggressor country.

ECPRP was founded and continues to work in Ukraine, but does not limit its activities in any of its statutory efforts exclusively to its borders. It is a voluntary association of individuals, created in 2016 to provide and protect the rights and freedoms of any person and a citizen, to satisfy vital, in particular, economic, social, cultural, educational and other interests of its members/nonmembers, who request on help to the organization.

The activities of the Organization have a public direction, which is manifested in its interaction with state authorities, local self-government bodies, enterprises, institutions, organizations of various forms of ownership, establishment of partnership relations with other public organizations, movements, funds registered in Ukraine or abroad, citizens of Ukraine or foreigners.

The main direction of the Organization is the implementation and protection of human rights and freedoms by conducting public activities in the direction of promoting the development and strengthening of democratic institutions and providing public control technologies in the field of social protection and health protection citizens, development and implementation of relevant socio-political projects and programs, monitoring of state and non-state projects and programs, conducting scientific, cultural, educational activities and promoting charitable activities in this fields.

The main areas of activity of the Organization are:

- Promoting the development of democratic institutions and civil society ideas;
- Promoting the equal access of citizens to the realize of their social rights and rights on preserve their health and quality of life by organizing monitoring and advocacy missions;
- Promotion of cooperation and interaction with civil society organizations from different countries of the world in the areas of the chosen activity;
- Investigation of international experience in the implementation of relevant socio-political programs;
- Monitoring of state and non-state projects and programs in the field of social dialogue;
- Spreading a positive image of Ukrainian civil society and Ukraine in the world;
- Participation in the development and implementation of state and non-state projects aimed at reforming social protection and public health systems in Ukraine;
- Social research, policy analysis, public monitoring of government actions, and public examination of projects and regulatory legal acts of the state in the areas of national health and social protection;

- Increasing the level of social and political importance of civil society organizations and their role in helping state administration and technical development in the social and health care spheres, including the implementation of charitable projects in these areas to help the state and civil society of Ukraine;

- Humanitarian interactions in Ukraine or abroad, with the aim of transferring it to persons who need it in connection with social insecurity, a difficult financial situation, the emergence of a state of emergency, in particular as a result of natural disasters, accidents, epidemics and epizootics, environmental, technogenic and other disasters that pose a threat to the life and health of the population, or serious illness of specific individuals, as well as for the defense in the event of armed aggression or armed conflict, for the providing civil volunteers activities in zones of social disasters.

Within the framework of our statutory tasks and our humanistic and pacifist civic position, including that the basis of all our tasks always comes first and foremost to a person and the quality of its life in common world space based on human rights and freedoms, where anybody cannot be limited by any other considerations of expediency, but only right on equal life

we invite to cooperation

all interested parties who set for themselves the similar objectives of their charitable or civic activities and have a similar vision of the world system, state policies, coexistence between them.

We will be happy to offer you the most diverse projects of such interaction, and also on behalf of all citizens of Ukraine, recipients of our humble assistance, we are grateful for your aspirations, together with Ukrainians, to make this world a little better and more humane.

Head of the Board of ECPRP, MD, PhD
